Balanced by Nature

The latest project by world-famous Laguna Phuket set within one square kilometre of verdant hills, forests, and lakes. With a private beachfront club, Laguna Lakelands is more than just a place to live. Themed Hillside, Orchard, Forest, and Lakeside precincts retain unique identities within a cohesive nature-centric community. Interwoven by a 15 km network of trails, spacious apartments with rooftop sky parks or opulent waterfront villas grace the expansive landscapes of rainforests, botanical gardens, and serene lagoons.

Enchanting Retreat Beyond Compare

Escape to a green sanctuary in Phuket that cocoons nests of respite and relaxation for a serene lifestyle imbued with bliss. Amidst acres of lush verdure and a glistening lake, naturalesque elements flow from every nook and cranny of your tranquil home in Laguna Lakelands, taking shape in the architecture and elegant interiors of the pool villas.

Graced by Sublime Grandeur

Evoking closeness to nature, the one-storey pool villas feature vast spaces that flow freely from the courtyard, into the airy bedrooms, and out towards the pool deck where a breathtaking sight of the lake unfolds. Sloped roofs are deftly crafted for natural light to seep in and uplift the subtle interior.

Safe Haven for the Soul

Landscaped to harmonise with the terrain’s verdant beauty, every detail of the scenic villas echoes the whimsical feeling of the nature abounding all around. Let the soft lulls of the lake and the soothing scent of the garden’s dewdrops comfort you into a reposeful disposition.
