Property overview

Koh Yao Noi is an island in Phang Nga Bay in Thailand, known for its tranquility and natural beauty. It is close to Phuket, making it ideal for those looking for a place to retreat and relax. The island feels authentic despite its proximity to Phuket, making it a perfect location for those seeking an escape from everyday life. The island offers many activities, such as scuba diving, fishing, swimming, and hiking. Luxury hotels like Six Senses Yao Noi and Cap Kudu offer magnificent views of Phang Nga Bay and luxury services, making them an ideal place for a romantic getaway. Additionally, Koh Yao Noi is located within the Phang Nga National Park, making it an ideal location for those looking to experience Thai nature. The island is also known for its white beaches and spectacular views of Phang Nga Bay. The land it is located between the port and the eastern beaches which offer views of the islands of the Pang Nga Bay archipelago. it also has the advantage of being halfway between the city (the port) and the seaside sites of the beaches to the east with their restaurants and other fun activities. 5 minutes on one side or the other side. Far from the road and the noise near the shops, it is an ideal place for a luxurious residence front sunset. Phang-Nga Bay has to be one of the world's most spectacular seascapes, and it's set the stage for your magical stay at Koh Yao Noi. Just 45 minutes from Phuket. this beachfront land is as close to nature's luxury beachfront as you can be. Here, it is not just green but every shade of blue sky and blue sea. it's Thailand reimaged.
