Property overview

Tucked away in the peaceful heart of Choeng Thale, this contemporary tropical villa blends serene natural beauty with refined design. Surrounded by lush greenery and just moments from main road, it offers a rare sanctuary that feels both exclusive and effortlessly connected. Clean-lined architecture and generous indoor-outdoor living define the flow of this four-bedroom retreat. A restrained modern aesthetic balances soft tropical textures with mountain-inspired tones, while expansive glass doors invite natural light to spill across polished interiors. The open-plan layout orients toward the central pool, with multiple access points to private balconies, the garden, and shaded lounging zones. A spiral staircase winds elegantly to a rooftop terrace, your personal vantage point for panoramic views over treetops and sky. From here, nature unfolds in every direction, with the turquoise pool glimmering below. This villa was designed for lifestyle at every hour of the day. Wake to mountain breezes. Linger over outdoor breakfasts beneath the double open-air sala. Recline on sunbeds after a swim, or entertain beneath the stars with alfresco dining just steps from the water's edge. Inside, the villa comes fully furnished, with four spacious bedrooms, each thoughtfully appointed and featuring en-suite bathrooms. The master suite includes a deep soaking bathtub perfect for slow mornings or tranquil evenings. Additional features include an onsite restaurant, ideal for hosting or simply enjoying resort-style ease without ever leaving home. Location Set within a tranquil residential enclave, the villa is a short drive from some of Phuket's most sought-after destinations: • Villa Market and Boat Avenue for daily conveniences and weekend markets • Bluetree Water Park for family-friendly adventure • Bang Tao and Layan beaches for sun, surf, and sunset strolls
