### Property overview

5 Bedrooms · 7 Bathrooms · Private Lift · Walking Distance to the Beach Set within an intimate collection of only 14 villas, this private Kamala residence offers a rare balance of space, privacy, and resort-style living just moments from the beach. Designed for effortless tropical living, the villa unfolds across generous indoor and outdoor spaces, with an emphasis on comfort, entertaining, and quiet retreat. An elegant entrance lobby creates a strong sense of arrival, while a private lift connects the home with ease and discretion. The main living areas flow naturally toward the outdoor dining terrace and saltwater swimming pool, creating a relaxed setting for long lunches, sunset gatherings, and peaceful days at home. With two kitchens, the villa is well suited for both private family living and full-service entertaining. Wellness is woven into the lifestyle. A dedicated gym, steam room, sauna, and spa room bring the feeling of a private retreat into daily life, while the office or study provides a quiet space for work, reading, or reflection. The villa features five bedrooms and seven bathrooms, offering generous accommodation for family and guests. Two maid's rooms support smooth household operations, while a powder room adds convenience for entertaining. Practical details are equally considered, including parking for four cars and thoughtful service areas that allow the home to function with ease. Located in Kamala, one of Phuket's most desirable west coast addresses, the villa places beach life within walking distance while keeping close to fine dining, beach clubs, and the island's most celebrated coastal experiences. A rare private villa in a limited 14-residence project, created for those who value privacy, comfort, and effortless access to the sea. Schedule a private viewing to experience the setting in person.
