### Property overview

Tucked away in the serene heart of Choeng Thale, this charming villa blends tropical privacy with everyday convenience just minutes from Laguna's resort amenities and the island's most desirable beaches. Framed by mature greenery and a sense of calm, the villa opens into a relaxed oasis defined by natural light and garden views. A large private pool is the centerpiece of outdoor living, bordered by generous lawns, lush foliage, and multiple lounging areas perfect for slow mornings or alfresco evenings. Inside, the single-level layout flows easily from one space to the next. Three well-proportioned bedrooms offer restful retreats, while a fourth versatile room adapts to your lifestyle ideal as a guest suite, home office, or creative studio. The open-plan living and dining area connects seamlessly to the garden, with floor-to-ceiling windows inviting nature in. The home has been lovingly maintained since its completion in 2006, offering a solid canvas for personalization or immediate occupancy. A secondary back garden adds to the overall sense of space and tranquility rare in this category. Whether envisioned as a full-time residence, a holiday home, or an income-generating rental, this villa presents strong lifestyle and investment appeal in one of Phuket's most enduring locations.

**Just 5 minutes to Bang Tao Beach, Boat Avenue, and international dining. Easy access to golf courses, marinas, and Phuket International Airport.**
