Property overview

5 Exclusive Villas · Family-Focused Design · Mountain Views · Private Cul-de-Sac Setting Tucked away at the end of a quiet no-through road in Manik, Cherngtalay, this boutique collection of just five private villas offers a rare sense of calm in one of Phuket's most naturally beautiful enclaves. Surrounded by rolling hills and open skies, each residence frames uninterrupted mountain views, a daily reminder of the island's untouched charm. Designed by the same architect and designer behind the acclaimed Blue Tree complex, the development reflects a thoughtful balance of modern tropical architecture and practical family living. Every detail has been considered. Clean architectural lines meet generous proportions. Natural light floods expansive interiors. The layout flows effortlessly from indoor living spaces to private outdoor areas, creating a home that feels open yet intimate. Each villa is crafted with families in mind. Spacious front and backyard gardens offer room for children to play, pets to roam, or evenings to unfold beneath the stars. The positioning at the end of a cul-de-sac ensures exceptional privacy and minimal traffic, fostering a safe and peaceful environment rarely found in Phuket's more densely developed areas. The mountain views are a defining feature. Verdant peaks rise gently in the distance, creating a tranquil backdrop from sunrise to dusk. The setting feels removed from the world, yet remains wonderfully connected. Just moments away lies the natural beauty of Bang Neaw Dam, ideal for morning walks or cycling. Wellness and lifestyle amenities are equally close at hand, from the restorative rituals of KEDR Sauna to the mindful sessions at Smile Yoga studio. For equestrian enthusiasts, the respected Niran Equestrian Center is nearby, offering a unique lifestyle touch rarely found in Phuket residential communities. This is a refined residential opportunity for those who value privacy, nature, and architectural pedigree all within easy reach of Cherngtalay's dining, international schools, and lifestyle hubs. A limited collection of only five villas. An address defined by tranquility. Enquire now to arrange a private presentation and discover Manik living at its finest.
