Property overview

Step into a modern sanctuary just moments from the shore, where sleek design meets the soul of the sea. Inspired by the clean lines of a luxury cruise ship, this distinctive low-rise condominium is set just 200 meters from Phuket's famed Bang Tao Beach, offering a fresh, contemporary take on coastal living. Each residence, from well-planned one-bedroom escapes to expansive three-bedroom layouts, is crafted with open-concept interiors, floor-to-ceiling windows, and minimalist detailing that invites light and air to flow freely. Neutral palettes and premium finishes create a calm, elevated atmosphere, while west-facing layouts frame unforgettable sunset views. The rooftop is a private oasis in itself, complete with a horizon-edge swimming pool, landscaped garden, and loungers for sun-drenched afternoons. Residents also enjoy access to a fully equipped private gym, spa, wellness clinic, and a restaurant specializing in healthy, modern cuisine. A café and elegantly designed lobby add to the relaxed sophistication of the space. The entire project is built around wellness, ease, and quiet elegance with 24-hour security, private parking, and a boutique sense of scale that ensures privacy and exclusivity.
