### Property overview

As an exclusive development expand on signature “1 Rai- 1 villa” concept, responding to client feedback and the evolving villa market with even larger land plots that enhance privacy, exclusivity, and a seamless connection to nature. Throughout the project, Mary Pakamard’s signature style is unmistakable—an elegant fusion of tradition and modernity. The spaces are both luxurious and inviting, enriched with cultural nuances while remaining contemporary, functional, and refined. The design embodies a sophisticated tropical lifestyle—comfortable, stylish, and intrinsically connected to nature. A home by Mary Pakamard is more than just a residence; it is a living work of art. Every element—from the overall architectural flow to the finest finishing details—is deliberately considered and meticulously executed. Bespoke furnishings and intricately crafted joinery, produced in her own workshop, ensure a level of quality, originality, and artistic depth rarely found in today’s market. In contrast to mass-produced developments, this project celebrates individuality. Each villa is designed to be as unique as its future residents. Buyers are invited to collaborate directly with Mary Pakamard, personalising their home to reflect their tastes, lifestyle, and identity. The bathrooms pay tribute to Phuket’s rich heritage. Featuring oak ceilings and custom cabinetry crafted from locally sourced Thai teak, the design draws on the artisanal techniques and materials traditionally used in the island’s colonial-style homes, blending timeless elegance with modern functionality. This project represents the realisation of a bold and beautiful vision—one that redefines luxury living through architectural integrity, thoughtful design, and bespoke craftsmanship. More than just homes, these villas are private sanctuaries that offer space, serenity, and artistic expression. Nestled in the peaceful surroundings of Mira Valley, each residence offers a harmonious blend of nature and design—an extraordinary home for those who seek something truly exceptional
