Property overview

Welcome to a destination that has evolved into a dream for many—an amalgamation of a coveted location and an innovative conservation concept. The residences within this villa have been meticulously designed to offer residents panoramic views of the sea and the verdant embrace of mature trees. Drawing inspiration from the specific areas within each residence provide either a captivating seaside or sky view. Comprising four exclusive residences, this villa is a testament to luxury living. Each residence boasts a private and a serene swimming pool, ensuring a beautiful and private sunset experience. The design philosophy seamlessly weaves indoor and outdoor spaces together, fostering a harmonious atmosphere that perpetually connects with nature—embracing the sky, the sea, and the lush greenery—creating a constant bond with the natural surroundings. These three-story pool villas, each featuring five bedrooms, represent the final four residences on the remaining land within the project. The living space for each residence begins at an expansive 1,200 square meters, with prices starting at 250 million baht. Embracing a conservation concept, the villas are designed to preserve the significant mature trees on the land, resulting in each residence having a unique and distinctive design that harmonizes with the existing natural elements. Construction is poised to commence in June 2024. Beyond the distinctive landmark location and the innovative design, the villa offers an unparalleled sense of pride for its residents. Crafted with artisanal precision and unique interior work, each villa stands as a testament to exclusivity. Residents are not only owners of a luxurious villa but also beneficiaries of world-class amenities and services from a globally renowned hotel. From dining options to rooftop bars and 24-hour spa services, residents will enjoy an exceptional and exclusive lifestyle that elevates their living experience to unparalleled heights. Welcome to a residence where luxury, innovation, and exclusivity converge to redefine the art of living.
