Property overview

Tucked into the lush hillside above Surin's glimmering shoreline, This project is more than a residence—it's a refined way of life. Imagine waking to the sound of breeze-ruffled trees, stepping out onto a private terrace, and watching sunlight dance across the Andaman Sea. Here, modern elegance is wrapped in tropical serenity, just moments from the soft sands of one of Phuket's most coveted beaches. This limited collection of 77 exclusive residences—ranging from stylish one-bedroom apartments to palatial four-bedroom penthouses and private pool villas—redefines what it means to live luxuriously in Phuket. Nestled in the prestigious Millionaire's Row enclave, it offers a rare balance of tranquility and connection, with Surin's upscale restaurants, boutiques, and beach clubs just minutes away.

Architecture & Atmosphere

From the moment you arrive, This project makes a statement. The architecture fuses timeless lines with contemporary flair, enhanced by a palette of natural materials and soft, elegant tones. Floor-to-ceiling windows flood each space with light and frame lush green views, while private elevators ensure discretion and ease. Each floor houses only 10 residences, offering a boutique-scale privacy rarely found in large developments. The award-worthy landscape design—aptly named Whispering Woods—embraces the native flora, weaving a calming forest ambiance into everyday life. It's a place that feels both elevated and grounded, cosmopolitan yet connected to nature.

Residences & Interior Styles

Apartment sizes range from a well-appointed 65 m² to a sprawling 349 m², accommodating every lifestyle, from jet-set singles to multi-generational families. Choose from three distinct interior moods:

- Magnate – Sleek and minimalist with clean modern touches
- Magnate Exclusive – Richer textures, curated accents, and layered sophistication
- Tycoon – Classic elegance with bespoke detailing and a warm, luxurious ambiance

All residences feature high-quality finishes, smart layouts, and open-plan living that invites indoor-outdoor flow. The 6 penthouses and 8 private villas take luxury even further—with rooftop decks, private pools, and sweeping ocean or mountain views.

Amenities & Services

Curated for well-being and leisure, the amenities rival those of a boutique resort.

- Infinity pool overlooking tropical canopies

- Yoga zone and sauna for mindful unwinding
- Fully equipped fitness center and home cinema
- The Tycoon Marche – an exclusive retail promenade

Behind the scenes, advanced technology ensures comfort and ease, while discreet management services maintain the property to the highest standards—ideal for both personal use and savvy investors.

Location & Lifestyle

Surin Beach is a gem of Phuket's west coast—known for its turquoise waters, fine sand, and elevated scene. Michelin-rated dining, luxury spas, and stylish lounges are all within walking distance. Despite its vibrancy, the area maintains a rare calmness, attracting a cosmopolitan crowd seeking authenticity with flair. Just 30 minutes to Phuket International Airport and close to golf clubs, marinas, and the island's most iconic beach clubs—This is perfectly placed to offer both seclusion and access.
