Property overview

7 Villas Only · Panoramic Sea Views · Private Pools · Wellness Clubhouse On the gentle eastern slopes of Cape Panwa, where the hillside meets the sea in quiet harmony, a rare collection of seven villas invites you to experience Phuket's most refined form of coastal living. Here, barefoot mornings unfold to the sound of soft waves, and golden afternoons drift into panoramic sunsets over the Andaman. Designed for those who value space, privacy, and balance, each villa is a modern sanctuary immersed in nature. Expansive windows open toward sweeping sea views. Private infinity pools edge seamlessly into forest-lined horizons. The architecture celebrates simplicity and flow — clean lines, organic textures, and a layout that welcomes light and breeze into every room. Nestled within a low-density masterplan, the development captures the essence of serene tropical living. A dedicated wellness clubhouse offers residents a calm, restorative space for yoga, meditation, and wholesome dining. Whether you're starting your day with a sunrise stretch or entertaining under the stars, the setting inspires both introspection and connection. This secure, gated community sits just minutes from local gems like Ao Yon Beach and Cape Panwa Hotel, with easy access to Phuket Town's culture and cuisine. Phuket Aquarium is nearby for weekend explorations, and the airport is a smooth 30–40 minute drive away close enough for convenience, far enough for peace.
