A lifestyle sanctuary minutes from the city, designed for families who demand more.

Set quietly within Phuket's prestigious Koh Kaew enclave, just minutes from the British International School, this project isn't just a home, it's an investment in your family's future. This rare estate of only 33 private villas blends natural tranquility with urban proximity, offering an exceptional residential experience in one of the island's most coveted and connected addresses. Here, lush greenery surrounds you. Serenity reigns, yet Central Phuket, international marinas, and elite shopping destinations remain effortlessly close, all within a 20-minute radius.

Peace. Privacy. Prestige.

Tucked within a low-density gated community, each villa is a statement of timeless design and fine craftsmanship. Expansive open-plan living areas flow seamlessly into private outdoor spaces creating a constant dialogue between interior elegance and tropical nature. Natural stone, warm timber accents, and soaring ceilings define the aesthetic, while oversized glass panels invite soft light and garden views into every corner. The villas feature 3 to 4 spacious bedrooms, each with ensuite bathrooms and private outlooks, ideal for multigenerational living or visiting guests. Outdoors, a full-length private pool, sunken sala, and landscaped gardens offer the perfect setting for alfresco entertaining or peaceful reflection.
