Property overview

Step through Balinese style villa and into a sanctuary of calm, where tropical elegance meets timeless design. This fully fitted villa is a rare fusion of Balinese charm and Applied Thai architecture nestled in a prime Chergntalay location just moments from Phuket's most coveted beaches and lifestyle destinations. Set on 823 square meters of lush, private grounds, the residence flows effortlessly between indoor luxury and outdoor serenity. Glass doors and breezy walkways invite the natural winds throughout, while the spacious terrace and semi-outdoor dining patio create the perfect setting for long, lazy afternoons or elegant evening gatherings. At the heart of the home, a sleek Western-style kitchen comes fully equipped, complementing a living space designed with rich textures, warm woods, and subtle modern lines. Every detail has been curated to balance form and function, with proportions that feel both generous and intimate. The master suite opens directly onto the swimming pool, as do the secondary bedrooms and living room offering a seamless connection to the tropical outdoors. Each of the four bedrooms comes with its own en-suite bathroom, styled with quiet sophistication and high-end finishes. Mature landscaping surrounds the home, with private garden nooks and shaded seating areas that feel worlds away from the everyday.
