Property overview

The two tropical beachfront bungalows on Coconut Island offer a serene retreat, accessed conveniently from Leam Hin Pier. Upon arrival, a short 2-minute boat ride followed by a 7-minute car journey leads you to these cozy retreats. Alternatively, during high tide, a direct 10-minute boat ride can bring you directly to the front of the bungalows. Each bungalow features a spacious open-plan layout combining living, dining, kitchen, and bedroom areas, totaling 55 sqm indoors, complemented by a generous 35 sqm deck. The property includes a 355 sqm land plot, providing ample space and privacy. Residents enjoy access to a 20-meter-long swimming pool located in a common area, perfect for relaxation and recreation. Additionally, a restaurant and bar are set to open within the resort, offering convenience and dining options right at your doorstep. Currently, there are no common area fees associated with ownership, though it's noted that this might change as additional services are introduced to enhance the resort experience. This setup ensures a tranquil yet well-supported living environment, blending natural beauty with comfort and community amenities.
