Property overview

The Villa is nestled on the secluded western shore of Phuket and overlooking the dazzling Andaman, Situated in a prestigious neighbourhood, 16 modern villas dot 100 rai (40 acres) of lush, forested hillsides above Layan Beach. Each boasts 180-degree ocean views from every vantage point. Clean lines and natural materials create a tranquil environment in harmony with the surroundings. Enter your sanctuary of unrivalled exclusivity. The villas are separated by lush expanses of tropical jungle, so residents experience complete privacy in their exclusive sanctuaries. With gentle contours inspired by Bang Tao Bay, the hideaways have in nity edge pools that stretch across the front of each property. Spread across two or three tiered levels, the villas provide perfect vantage points from which to take in the tropical vistas and lush, private gardens. The optional third level of the villa design provides additional space for sleeping, spa or entertainment, all with unbroken ocean views. Each sprawling villa offers the utmost privacy – a natural sanctuary surrounded by lush gardens. Descend the grand staircase to a statement entrance with uninterrupted views of the sparkling ocean. The upper level consists of a master suite and two bedrooms, while the main level's spacious living and dining areas open onto the expansive terrace with an in nity pool overlooking the horizon. Each villa is customizable, with a possible third tiered level for additional bedrooms, spa suites, a private cinema, study or gym. Symmetry and balance de ne the villas' design. The living spaces exude simply sculptured and re ned elegance. Harmony is created between interior areas and the verdant natural world outside. On either side of the grand entrance, the dining and living areas can be transformed into a single, integrated space. Floor-to-ceiling windows slide back, opening the entire space to panoramic views of nature. The dining area features an impressive show kitchen, with a full-service kitchen beyond. The granite oor tiles and teak ceiling seamlessly connect the indoor and outdoor areas. The optional third level of the villa design provides additional space for sleeping, spa or entertainment, all with unbroken ocean views.
