Price

35,900,000 Baht This property is designed to offer a luxurious and comfortable living experience with meticulous attention to detail.

Current Construction Progress

We are pleased to report steady progress on the project, with key milestones achieved:

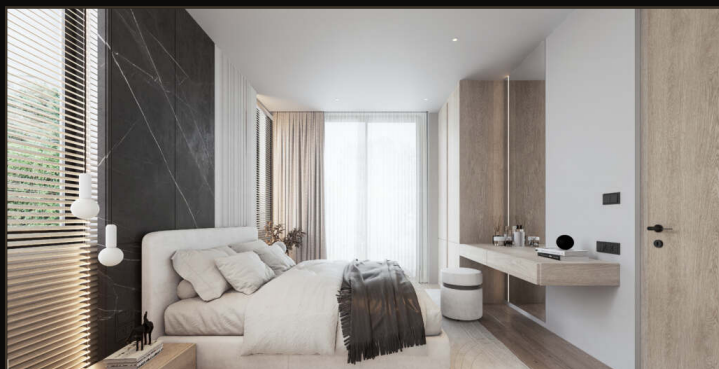

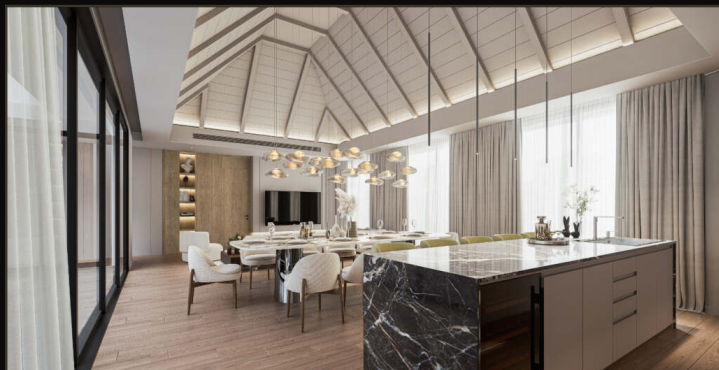

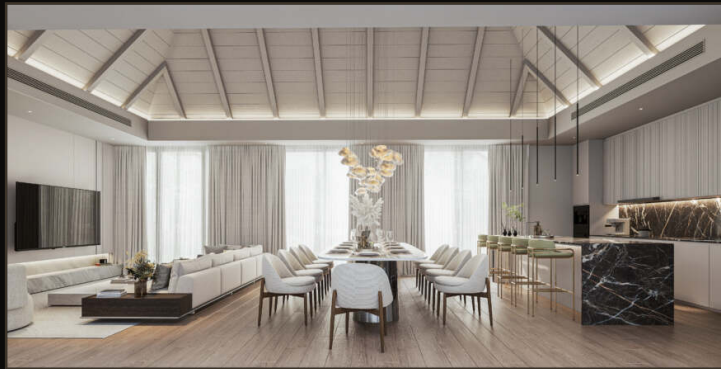

- Flooring: Concrete flooring has been completed in major areas, ensuring a robust and reliable foundation.
- Roof Structure: The roof is being finalized with a focus on durability and efficient insulation.
- Electrical System: Installation of electrical wiring is underway, emphasizing safety and optimal energy efficiency.
- Plumbing: Modern water system pipes are being installed to create a seamless and reliable utility network.
- Interior Development: Structural detailing and wall finishing are progressing, preparing the villa for subsequent stages of construction.

We are fully committed to maintaining the highest standards of quality throughout the construction process to deliver a home that meets and exceeds expectations.

Site Visits and Inquiries

We warmly invite agents and potential clients to explore the site at their convenience. Witness firsthand the villa's progress and the quality craftsmanship involved. If you wish to schedule a visit or require additional information, please feel free to contact us. Your enthusiasm and insights are greatly valued, and we look forward to building potential collaborations together.
