Property overview

Samsara Villa 5 offers a well rounded, west coast luxury ocean front villa opportunity at 6m USD. The villa enjoys a combination of open ocean, Patong bay and Patong Beach views. The architects, Original Vision, have designed the villa in a contemporary Asian style. The villa features well-integrated spaces across two main levels, creating a modern and airy atmosphere with its floor-to-ceiling glazing. The living room boasts high vaulted golden teak line ceilings and high-quality bi-fold anodized aluminum doors, allowing for a seamless connection to the terrace. With stunning views of the bay and ocean, the living room, show kitchen, and dining areas provide a delightful experience. Additionally, there is a separate kitchen and staff areas adjacent to the show kitchen. On the lower floor, there is a separate living area perfect for activities such as watching TV or playing games. Currently, the property offers 4 bedrooms, an ocean view office, a large media room, and a yoga studio. However, the office and media room can be converted into additional bedrooms, providing a total of six bedrooms if desired. – The master bedroom suite has its own outdoor sea view jacuzzi and a second outdoor bath. – Each bedroom has its own sea-view terrace space – The spacious second bedroom has a large ensuite bathroom. – The third and fourth bedrooms share a bathroom. – Plenty of sun bed area around the 15m infinity edge swimming pool – Outdoor barbecue and dining area large enough for 20 person seating – Outdoor dining / relaxing sala with 270 degree ocean and bay views. – The villa has a sauna and a steam room. There are extensive staff quarters at the rear of the villa of over 100 Sq.m. These include a 2nd full western kitchen, staff bedrooms and common area, large laundry. The entire staff quarters access the main villa levels through their own private doorways so keeping guest privacy to a maximum. The Samsara estate is wonderfully positioned on its own headland overlooking the open ocean, Patong Bay and Patong Beach. It is private and secure and yet only 7 minutes drive to down town Patong and 12 minutes drive to Surin Beach. There is direct walking access to Nakalay Beach from the internal estate pathway. The estate has some of the most complete infrastructure for a residential -only estate in Phuket. It has its own one million litre water storage facility, two generators and fire hydrant system. There is a dedicated management office from which villas and the estate are maintained and rentals can be arranged. This villa has one of the best locations in the estate, facing southwards but enjoying views eastwards to see the sun rise over the mountains and westwards to the sunset. The villa is priced in USD at 6M USD with the Thai baht price an approximation of this figure. Please check exchange rates to get the accurate THB price.
