Property overview

Tucked within one of Bang Tao's most desirable gated communities, this quietly elegant villa offers the rare serenity of a true family home—never rented, meticulously maintained, and thoughtfully designed for effortless island living. Positioned on an 827-square-metre land plot, the residence embraces classic tropical architecture with warm wood accents, lush landscaping, and a seamless flow between indoors and out. The villa spans 282 square metres of interior space, complemented by 211.5 square metres of outdoor living, including a private pool, expansive sun deck, covered bar, sala, and shaded carport. The layout flows around a central courtyard and pool, with open-plan social spaces that invite natural light and garden breezes. Of the four bedrooms, one is currently configured as a home office, offering flexibility for work or guest accommodation. A detached garden suite adds privacy and optional separation, ideal for extended stays or visiting family. Set in one of the community's most peaceful enclaves, well away from the main road and surrounded by fully developed plots the home enjoys lasting tranquility with no risk of future construction nearby. The property is held via a long-established ownership structure: a BVI company for the villa and a dedicated Thai company for the land. Estate management is handled professionally by Knight Frank, with monthly fees of THB 25,000 covering security, gardening, pool service, waste collection, and common-area maintenance. Utilities are billed at local government rates. Offered unfurnished, the home's pristine condition reflects over a decade of personal ownership. Select furniture pieces may be negotiated separately. This villa represents a rare chance to own a quiet, character-rich residence in the heart of Bang Tao, steps from the beach, dining, shopping, and all the lifestyle amenities that make this area one of Phuket's most sought-after addresses.

Enquire now to arrange a private viewing. This residence is best experienced in person.
