Property overview

This is the new project of 18 villas with 3 and 4 bedrooms in a 5-minute drive from Laguna Phuket, and Layan and Bangtao beaches. These are smart and comfortable villas equipped with everything necessary for life and recreation on the island of Phuket. Land area from 550 sq.m up to 941 sq.m. The villa create smart, comfortable and cozy villas equipped with everything you need for living in Phuket. Today, tourism is reaching a new level of extended journeys, which increases the demand for villas designed specifically for long-term stays. The concept of villas is villas for living, where everything is thought out to the smallest detail. Our priority is to increase level of functionality, safety and comfort. Separate recreation areas at the villa territory make it possible to change location without leaving home. High-quality technical equipment is a prerequisite. Each villa will be ready for installation of a smart home system. A large area and a competent layout provide personal space for each family member.
