### Property overview

Tucked into the lush, tropical embrace of Chernohtalay, just minutes from the golden shores of Bangtao Beach, this exclusive villa enclave redefines the rhythm of refined island living. Bangtao Serenity Villas is a rare offering: a low-density luxury development of 93 meticulously crafted pool villas, each designed as a private sanctuary of space, light, and tranquility. Surrounded by Phuket's verdant greenery, yet seamlessly connected to world-class beach clubs, fine dining, and wellness hubs, this is where nature meets elevated lifestyle. Ranging from 431 to 1,870 square metres of usable space on generous plots up to 2,080 square metres, each residence is a statement in contemporary tropical architecture. Thoughtfully planned layouts flow effortlessly between expansive indoor lounges and sun-drenched outdoor terraces. Vaulted ceilings, wide openings, and fine finishes create a sense of calm sophistication, while the fully fitted interiors offer the perfect canvas for personalised living. Every villa comes with its own private swimming pool, landscaped gardens, and shaded parking for two vehicles. Advanced fitness facilities, walkable pathways, and serene common areas enhance the residential experience, providing a sense of both community and retreat. Whether chosen as a primary residence, a holiday home, or a long-term investment, these villas offer flexible ownership with both freehold and leasehold options, backed by quality construction and a location that continues to see strong capital appreciation. All this, just a short drive to Laguna Golf, Boat Avenue, and the vibrant coastal scene of Phuket's west coast.
