Property overview

This project is a hidden treasure where you can revel endlessly in the pleasures of life with its Modern Bali Architect, the villa brings the concept of “Contemporary” for its interior and Tropical Landscape for its exterior. The spacious master bedroom, it is designed for your most luxurious living. There is a private living room and a private terrace, connecting to the pool. You can also walk through the dressing room to your private bathroom and luxuriate in a bathtub, listening to the sound of water and forest. Verdant nature is close at hand. More than 700 sq.m. of land area, your unique lifestyles can be added and arranged from the standard room to your own preference room functions. You can add more bedrooms or change its function to be what you desire. Within the space of project, you can make the villa uniquely yours. Unique interior lighting fixtures for interior “Auroral” ceiling light in copper-finished for the bedroom interior. With its evocation of an incredible aura of warm light, the Auroral pendant casts light upwards onto the lustrous surface of the copper-plated handworked filigree diffuser. Luminous light from Auroral pendant light lends the bedroom mysterious charm. Passing through the dressing room which is lit by Hanging Nest (large), then on into the master bathroom, this area is illuminated with the very fine rattan handcrafted lighting “Ovaloid” selected to go with space and the surrounding aspect through to the outside. Rattan hand-woven pendant lights go perfectly with verdant nature close at hand. For the kitchen area, villa custom is creating four unique different pieces, inspired by a multi-layered assemblage of “Bejewelled Wings” at the entrance of Emporium. The filigree infill to each piece is subtly concaved to create a lustrous light quality across the whole surface. Each element contains multiple LED G9 light sources to refract and diffuse the light. This exclusive custom lighting will enable one to enjoy a unique and luxurious experience, living amidst natural energy flowing through the villa. Location : The villas are located in a quiet area on the west coast of Phuket at Bangtao beach (Cherngtalay). The one of the longest beaches on the west coast of Phuket, spanning 6 km. in length it is clean and calm beach. It's a quiet community for luxury villas where you can find tranquility and privacy surrounded by flourishing nature and pristine sea. All major facilities are close at hand within a short drive.
