Property overview

Welcome to a luxury Villa, a peaceful oasis resting high above Patong. With a mountainous backdrop and the full beauty of Patong Bay ahead, the residences offer truly luxurious residences with the very best views available. Each of our exclusive private pool villas follows the same exquisite design style which perfectly fits the tropical surroundings. The attractive northern Thai style roofs blend with the landscape and the open layouts provide no escape from the magnificent views of the aqua-marine Andaman Sea. The two bedroom villa is very similar to the larger properties with the signature wide open living space and terrace on the upper level and spacious master bedrooms down below. All of the rooms face the beautiful beachfront and enjoy wonderful sea views and breezes. Step from the main terrace to the plunge pool with attractive stone surround and revitalising bubble jet beds. This villa also features an extended terrace without cover ideal for sunbathing. The luxury villa appeals to honeymoon couples as well as groups and families seeking an extravagant and romantic holiday in complete luxury and privacy. The master bedroom has a furnished balcony, luxury en-suite bathroom and spacious walk-in closet fully equipped with a hairdryer, iron and more.
