Property overview

4 Bedrooms · 5 Bathrooms · Approx. 2,000 m² Land · Approx. 1120 m² Built Area (estimated) Set within a private enclave near the golden shores of Layan Beach, this tropical estate offers the rare sensation of seclusion without isolation—where every moment feels effortlessly elevated. Hidden behind handcrafted timber doors, the villa reveals itself through a serene progression of garden pathways, water reflections, and indoor-outdoor harmony. At the heart of the residence lies a dramatic courtyard design anchored by a grand infinity-edge pool. This central oasis creates a quiet rhythm throughout the home, where pavilions unfold around lush greenery and seamless living spaces. The architecture is purposefully contoured, gently guiding airflow and natural light into every corner while framing tranquil garden views from all directions. Crafted to Western luxury standards, the villa's materials and finishes reflect care, quality, and a refined tropical aesthetic. The interiors feature a calming palette of stone, wood, and glass, opening entirely through wide folding doors to invite the outdoors in. The master suite is a sanctuary unto itself—expansive and serene, with its own sitting area and a beautifully appointed en-suite bathroom. Each guest suite offers similar indulgence, all with private bathrooms and generous proportions designed for extended stays or entertaining in style. Living and dining areas connect organically to pool terraces, shaded lounging spots, and al fresco spaces perfect for long lunches or candlelit evenings. Whether hosting or simply unwinding, every corner of this home invites connection—with nature, with guests, and with the slower pace of island life. Tucked into high ground yet minutes from the beach, the villa enjoys cooling breezes and complete privacy. Phuket International Airport is a quick 20-minute drive away, and international schools, golf courses, and beach clubs lie within easy reach. This is a villa designed not just for holidays, but for a life of comfort, calm, and understated luxury.
